Hello there! Thank you for participating in the "My Carnival, Your Carnival" culture exchange!
First, you can collectively draw or make a collage about Carnival in your country or region:

I am a Policeman

I am a Capulet

I am a rolieman

I AM POLICE MAN

I am a SWAG

Now, explain to a class of students from a different country what your Carnival is like. What is the best part about it? How do people dress up? Do you wear masks? Feel free to be creative!

We love Carnival. It's so much fun!

We put on costumes and take lots of silly pictures.

We also play lots of games in the playground together.
